THE VENUE

2025

The full venue can host a total capacity of 220 guests.

We welcome all full buyout inquiries and also offer smaller sections for both private and non-private bookings.

The Dining Room can only be made private during full venue buyouts, but is available for large party reservations for groups of up to 20.

Capacity: 50 seated • 90 standing

2.

The Nook is a small private booth perfect for birthdays and small gatherings.

Capacity: up to 12 seated

3.

The Lounge is our main private event space, equipped with its own bar and DJ setup, along with other fun A/V capabilities.

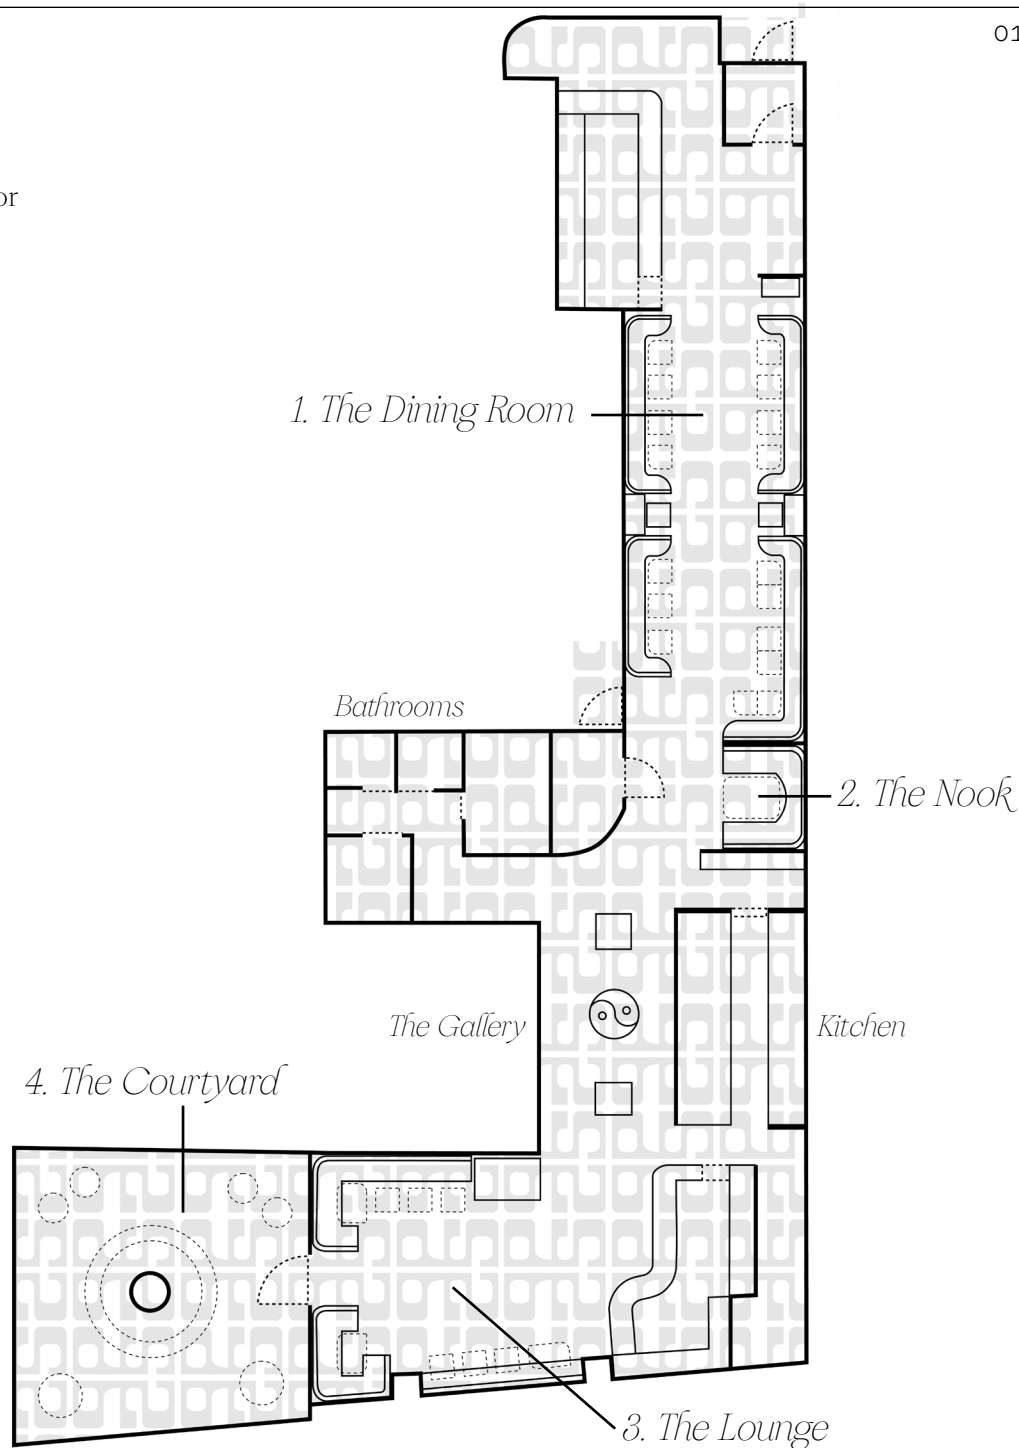

Capacity: 30 seated • 75 standing

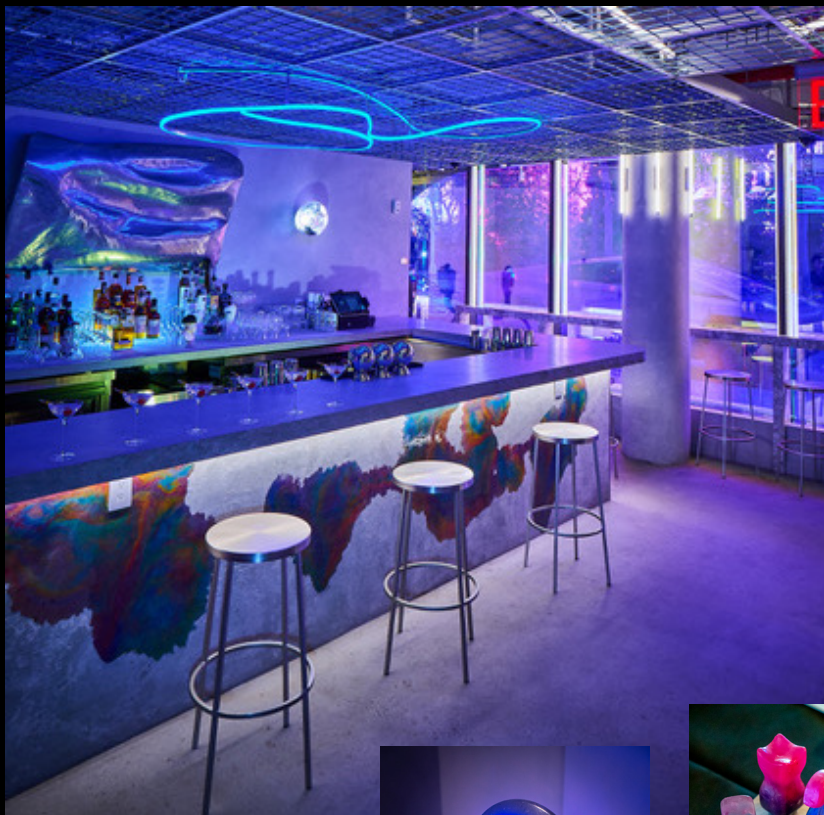

4.

The Courtyard is our outdoor space, featuring a lush garden and intimate fire pit.

Capacity: 20 seated | 40 standing

This space is available for private events and can be combined with The Lounge to host a party upwards of 100 guests.

THE DINING ROOM

The Dining Room is open for reservations of up to 20 guests. Parties of 8 or less are able to book a table through Resy. Larger parties of up to 20 guests can email us at reservations@pinkysweatnyc.com to plan accommodations.

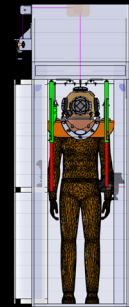

This space frequently features happy hour DJs, artist showcases, and other fun programming throughout the week; reservations for these special events can also be made on Resy.

THE NOOK

The Nook is Pinky Swear's private dining table, perfect for small celebrations and intimate gatherings.

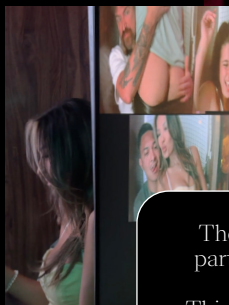

This cozy area acts as the perfect place for your party to still be in the scene while still having a home base area to yourselves. Booking this table also allows you access to the Lounge during special programming.

THE GALLERY

The Gallery is home to some of Pinky Swear's original immersive art installations and games (CuePutt!), as well as works from the current featured artist.

While this area serves as a walkway between our two main rooms, the Dining Room and the Lounge, it also provides a space that lends to connection, interaction, and the perfect photo op.

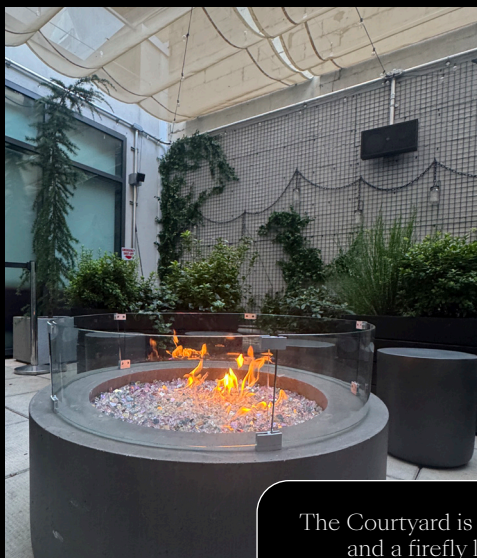

THE LOUNGE

The Lounge is our event room that hosts everything from our regular DJ programming to birthday parties, jazz nights, pop ups, bar takeovers, watch parties, and almost anything else you could want.

This space has it's own bar, a DJ setup, our video booth, and a lot of other fun A/V capabilities. Table bookings for bottle service are available every weekend.

The Courtyard is a hidden escape located at the back of Pinky Swear. Featuring a fire pit and lush garden, along with more art pieces and a firefly light installation, this space lends to both lively parties during the day or intimate conversations as the sun sets.

This area can be booked for private events as a standalone room or as an extension for the Lounge with larger private parties.
